PARTNERSHIP

PEOPLE

FIGHT POVERTY AND SOCIAL EXCLUSION, ELIMINATING TERRITORIAL GAPS

Reduce the intensity of poverty

Fight food and material deprivation

Reduce housing deprivation

GUARANTEE THE CONDITIONS FOR THE DEVELOPMENT OF HUMAN POTENTIAL

Reduce unemployment for the weakest segments of the population

Ensure the effectiveness of social protection and security system

Reduce the school drop-out rate and enhance the education system

Combat deviance through prevention and social integration of vulnerable individuals

PROMOTE HEALTH AND WELLBEING

Reduce population exposure to anthropogenic and environmental risk

Promote healthy lifestyles and strengthen preventive healthcare systems

Guarantee access to effective healthcare services and reduce territorial gaps

I.1. Reduce the intensity of poverty

2030 Agenda: related targets and degree of consistency

- 1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day
- 1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions
- 1.b Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender-sensitive development strategies, to support accelerated investment in poverty eradication actions
- 5.4 Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate
- 10.1 By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average
- 10.2 By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status
